## IID's 3i approach for *making policy public*...

**Action Research** to support public campaigns, policy decisions and development programs

**Impact Analysis** of national policies and programmes

**Survey** with online tools and GPS-enabled smart devices for large scale data collection

# Inform

people and policy makers

**Brief Reports** such as Policy Briefs, One Pagers, Campaign Toolkits for non-technical audience

**Visual Communication** of research findings through data visualization, animations and illustrations

**Media Campaign** through print and electronic media, social media and mobile apps

# Involve

public in public policy

**Policy Breakfast** for high-level policy discourse under Chatham house rules

**Policy Forum** to bring out grassroots voices through community-level policy discussions

**Policy Camp** to involve youth in public policy through residential training and fellowship programs

**Hello MP** to connect people and Members of Parliament through frugal video conference
